- 1-6 oz. pk. strawberry jello
 - 1 - 20 oz. can crushed pineapple (in juice)
 - 3 bananas (mashed)

 - 2 cups chopped strawberries (with juice, sweeten to taste)
- Add 1 cup boiling water to jello. Then add pineapple (with juice), mashed bananas, and strawberries (with juice). Put $\frac{1}{2}$ mixture in bowl and put in refrigerator to set (about 30-45 min.). After set, add layer of sour cream. Put remaining strawberry mixture on top of sour cream layer and return to refrigerator to set.
