could be a little thicker. Add more
corn starch + maybe more gelatin (like this from
used) 5 rather heaping Kitchen tablespoons corn starch
4 " " measuring " gelatin
may add red food coloring

try this next
(From Flint Journal

2 cups water
1¼ cups sugar
¼ cup cornstarch
1 small pk. gelatin (strawberry or whatever)
Mix together water, sugar + cornstarch and boil
until clear. Add gelatin to hot mixture. Cool
Will stay in container in refrigerator for long time.
